

## ABOUT SUPREME WEAR SOLUTIONS

SWS is a diverse company with more than 20 years experience in the polyurethane industry. We manufacture and supply a wide range of polyurethane products for all your wear solutions. We pride ourselves on customer service and go the extra mile in making sure our customers are satisfied.

## OUR SERVICES

### CUSTOM POLYURETHANE PRODUCTS:

We manufacture a wide variety of custom polyurethane products from the design and drawing phase to mould manufacturing and producing the product. No casting to small.

### CONVEYER SYSTEMS:

We manufacture and supply all your belt cleaning roller and scraper needs. From primary cleaners to impact beams.

### CHUTES, FEEDERS & BIN LINERS:

Customers have a choice from steel or composite backed full sheets or modular wear liners.

### DESIGN & MOULDS:

From the simplicity of a laser cut mould to complex CNC design and machining.
